Tosom 2

Tosom 2 is a standing invitation to cuddle up alone, or with a close friend or a child in your arms! This XL-chair is especially designed for informal seating positions, with plenty of space for curling your feet up. The chair answers humans' needs for taking a step back, into a safe warm corner – away from our hectic daily-life. The design is based on traditional construction- and production methods, but with a modern look.
